

**COLLECTIVE BARGAINING AGREEMENT  
CITY OF SPENCER  
AND  
SPENCER EMPLOYEES ASSOCIATION, INC.**

This agreement is made this 2nd day of April, 2007, between the City of Spencer, Iowa, (Employer) and the Spencer Employees Association, Inc. (Association).

The Employer hereby recognizes the Association as the sole and exclusive collective bargaining agent for the bargaining unit established by the Iowa Public Employment Relations Board in case 813, as amended. The parties agree that they will jointly apply for an amendment of the bargaining unit to delete the position of the city building inspector from the bargaining unit.

**ARTICLE I  
SCOPE OF AGREEMENT**

The Employer and the Association acknowledge that during the negotiations resulting in this agreement, each party enjoyed an unlimited right and opportunity to make requests and proposals with respect to any and all subjects and matters not removed by law from the area of negotiations; and that all understandings and agreements arrived at between the parties after the exercise of those rights and opportunities are set forth in this agreement.

Therefore, the Employer and the Association, for the duration of this agreement, each voluntarily and unqualifiedly waive the right to bargain further and each agrees that the other shall not be allowed to bargain or attempt to bargain with respect to any subject or matter referred to or covered in this agreement, even though said subject or matter may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this agreement. However, this article is not intended to prohibit discussion between the Employer and the Association in regard to existing practices or changes affected by either the legislature or the courts during the term of this agreement.

**ARTICLE II  
GRIEVANCE PROCEDURE**

It is mutually agreed that all grievances, as herein defined, arising during the term of this agreement shall be resolved in accordance with the following procedure.

**A. DEFINITION:** A "grievance" shall mean a complaint that there has been a violation of any of the provisions of this agreement or any of the provisions of the personnel policy manual which effect pay.

**B. SCOPE AND TIME LIMITATIONS:**

(1) Every employee covered by this agreement shall have the right to present grievances in accordance with the procedure herein set forth.

(2) The failure of an employee to present any grievance within the prescribed time limit shall bar any further appeal. An administrator's failure to give a decision within the time limits will

permit the grievant to proceed to the next step. However, the time limits may be extended by mutual agreement.

(3) It is agreed that any investigation or other handling or processing of any grievance shall be conducted without any interference or any interruption whatsoever of the work activities of the grieving employee, other employees or staff. The alleged existence of a grievance shall not be grounds for work interruption.

### C. PROCEDURE:

(1) Step One- A first attempt shall be made to resolve any grievance in an informal verbal discussion between the grievant and the immediate supervisor.

(2) Step Two- If a grievance is not resolved informally, the grievant shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the department head. The written grievance shall state the nature of the grievance, shall state the remedy requested, and shall be signed by the grievant. The filing of the written grievance must be within ten (10) calendar days of the day on which the grievant had knowledge of the occurrence giving rise to the grievance. The department head shall render a written decision on the grievance to the grievant within ten (10) days after receipt of the written grievance.

(3) Step Three - If the grievance is not resolved at Step Two, there shall be available a third step of impartial, binding arbitration. In order to commence the third step, the grievant shall submit to the City Council within 25 days of the date of the receipt of the supervisor's written decision, a written request for arbitration, which shall be signed by the grievant and an authorized officer of the Association, and which shall state the nature of the grievance, shall note the specific pertinent clause or clauses of this agreement, and shall state the remedy requested. The arbitration shall be conducted by an arbitrator to be selected by the Employer and the Association within seven (7) days after said request. If agreement is not reached on an arbitrator within seven (7) days, the P.E.R.B. will be requested to provide a list of seven (7) arbitrators. Each party will alternately strike one name from the list until only one shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator will be binding on the parties. Expenses of arbitration shall be borne equally by the Employer and the Association. The arbitrator's decision shall not amend, modify, nullify, ignore or add to the provisions of the agreement and shall not abridge, modify, expand or limit the parties' rights under the Iowa Public Employment Relations Act, and shall not infringe upon or attempt to modify or restrict, in any manner, the rights, powers and duties of the City Civil Service Commission. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to him in writing by the parties and his decision shall be based solely and only upon his interpretation of the meaning or application of express relevant language of this agreement. Each alleged grievance shall be handled separately and independently and only one grievance shall be submitted to binding arbitration at a time, unless otherwise agreed by the City and the Association.

## **ARTICLE V LEAVES OF ABSENCE**

**A. SICK LEAVE.** All employees shall earn one day of sick leave for every complete month of employment. Sick leave may be accumulated from year to year with no maximum limit. The employees shall report sick leave absence to his or her immediate supervisor at least 30 minutes prior to the scheduled work time.

The abuse of the privilege of sick leave is strictly forbidden and the City reserves the right to make such investigation as may be necessary to determine whether the privilege is being abused. Sick leave may be used only for employee illness, appointments, for health-related professional treatment or examination, for non-job related injury, and may be used in the event that the spouse, children or parents of an employee are hospitalized. Sick leave of three or more consecutive days duration will be approved only upon presentation of a doctor's certificate.

Upon leaving service with the City, for any reason, an employee will be paid for 40 days of unused accumulated sick leave, or one-half of the individual's unused accumulated sick leave, whichever might be less. For example, if an individual has 30 days of accumulated sick leave upon leaving employment with the City, that individual will be paid for 15 days. If an individual has 95 days of accumulated sick leave, he or

she would be paid 40 days. The payments shall be made on the assumption of 8 hour days at the employee's prevailing wage rate at the time of his or her termination.

**B. FUNERAL LEAVE.** All employees may be granted up to three days paid leave of absence for a death in his or her immediate family. The term "three days" does not automatically mean three work days. Weekends, vacation, and holidays may or may not be considered as part of the funeral leave, depending on the arrangements made with the supervisor. Normally, immediate family will include husband, wife, son, daughter, father, mother, sister, brother, aunt, uncle, grandparents, mother-in-law, father-in-law, brother-in-law, sister-in-law, step children and step parents.

An employee may be granted one-half day leave of absence to be charged to sick leave to attend the funeral of other relatives or friends not included in the above categories when the distance is less than 25 miles from Spencer. If the distance is greater than 25 miles, an employee may be granted one day of absence to be charged to sick leave to attend the services.

Arrangements must be made with the employee's immediate supervisor before exercising funeral leave. All employees shall designate their relationship to the deceased and the location of the services on their time sheet in support of any funeral leave exercised.

**C. PERSONAL LEAVE.** In the fiscal year, July 1, 2004, through July 1, 2005, each employee shall be allowed, upon request, up to three days personal leave. Beginning July 1, 2005, each employee shall be allowed, upon request, up to four days personal leave each year. Personal leave must be approved by the immediate supervisor and the department head prior to taking the day off. Personal leave may be used for any purpose. There will be no accrual of personal leave.

**D. FAMILY AND MEDICAL LEAVE.** The parties agree that the Family and Medical Leave Act of 1993 (29 U.S.C. § 2601) applies to employees of the City. Appropriate notices regarding employee rights under that act shall be posted and inserted in the employee handbook. In addition to the benefits of the Family and Medical Leave Act, the following shall apply to maternity leave.

Except as hereafter modified, all provisions applicable to employees who are granted sick leave shall be applicable to employees applying for maternity leave. Sick leave benefits for maternity to the extent of any employee's accumulated earned sick leave, shall be paid only during the time of medical confinement, which shall be the time medically indicated for termination and recommencement of duties as hereinafter provided.

Employees requesting leave under the Family and Medical Leave Act are required to utilize any paid leave which they have accumulated and to which they are entitled (including vacation, sick leave, compensatory time and personal leave) as part of their leave under the federal act.

An employee who becomes pregnant shall inform her immediate supervisor and department head of her expected date of confinement at least 30 days prior to the date on which the employee expects that leave shall commence. At that time the employee shall give notice to her department head of the expected date of childbirth, whether the employee plans to continue to perform her duties during the period of pregnancy, the date when she expects to commence her leave for maternity and the date she expects to return to work following childbirth.

The determination of the dates maternity leave shall commence and terminate shall be made by the department head in consultation with the employee and pursuant

to this policy and the Family and Medical Leave Act. The date of commencement and termination of maternity leave shall be the date medically indicated as hereinafter provided.

If the date for the commencement of maternity leave or date of resumption of duties would interfere with the administration of the department, the requested date may be changed by the department head to assure efficient administration of the department, giving due consideration to the desires and capabilities of the employee.

Leave taken in excess of that which is either (1) medically indicated or (2) set by the city in order to avoid interference with the administration of the department, shall not be reimbursed as sick leave.

Upon request by the employee, no later than the end of the sixth month of pregnancy, a leave of absence beyond the time of medical confinement for the pregnancy may be granted without salary or sick leave benefits for a period not to exceed one calendar year.

For the purpose of determining an employee's entitlement to leave under the federal act, the measuring year shall be the fiscal year commencing July 1 and ending June 30.

In a situation where two employees of the city request leave under the federal act for the same birth or placement of a child for adoption or foster care, such employees shall be jointly entitled to a combined total of 12 work months of family leave.

Employees who request leave under the federal act for the birth or placement for adoption or foster care of a child shall not be entitled to intermittent leave. The city will consider granting such requests for intermittent leave, but the granting of such leave shall be in the sole and complete discretion of the city.

**E. UNPAID LEAVES.** In the event an employee is not eligible for any other "leave" under this Article V, but is unable to continue to perform his or her normal services to the City, the employee may request an unpaid leave of absence. Such a request for an unpaid leave of absence may be granted by the City Council upon the recommendation of the City Manager. During the period of any approved unpaid leave of absence, the employee shall be entitled to no compensation or benefits from the City, but the employee, at his or her option, may continue such City benefits as group medical or life insurance at the employee's cost, subject to the requirements of the insurance contracts then in force.

If the employee is able to resume his or her duties with the City upon completion of the leave of absence, the employee will be permitted to return to their former job. No leave of absence will be granted to permit an employee to engage in any other income-producing activity.

## **ARTICLE VI GROUP LIFE INSURANCE AND MEDICAL BENEFITS**

**A. BENEFITS.** During the life of this contract, the City shall maintain a group life and health insurance program which will provide, as a minimum, the benefits described in Exhibit "A", labeled "Medical and Life Insurance Benefits", attached hereto and by this reference made a part hereof. The cost of providing such coverage for full time City employees shall be paid entirely by the City for full time each employee enrolling in the program. The City will offer the employee the option of choosing either AH2 (\$250.00 deductible) or AH3 (\$500.00 deductible) coverage. For full time employees electing two person coverage under either plan, the City shall pay

the first \$800.00 of the premium and the City shall also pay the first \$1,000.00 of the premium for family coverage.

The monthly premium costs of the policy currently in effect and which is anticipated to extend through December 31, 2007, are as follows: (1) Plan AH2 - Family coverage \$1,268.48, 2 person coverage \$970.93; (2) Plan AH3 - Family coverage \$1,225.66, 2 person coverage \$938.15. So long as the premiums charged for these coverages are as set forth immediately above or less, the employee shall pay the entire excess over the City's contribution of \$800.00 for 2 person coverage or \$1,000.00 for family coverage. In the event that premiums charged for these coverages should increase beyond the above stated amounts, then the City and the employee shall each bear one-half of the increase. The parties understand that the City may, at its option, self-insure a portion of the coverage. The price computed by the insurance company for the coverage chosen by the employee shall be the price used in computing the cost to the employee notwithstanding that the actual cost to the City may vary due to the City's self funding.

**B. GROUP INSURANCE ADVISORY COMMITTEE.** For the purpose of maximizing benefits and minimizing costs in connection with the group medical insurance program, the parties agree to create, staff and operate a "Group Insurance Advisory Committee". This committee shall consist of two representatives designated by the Spencer Employees Association, two employees of the City who are not members of the Spencer Employees Association selected and appointed by the City Manager, and two council members designated by the council. The City Attorney, City Clerk, City Manager, and attorney for the Spencer Employees Association shall advise and assist the committee in its functions.

The committee shall meet and review the current group insurance contracts, consider and recommend changes to the contracts to reduce the cost or increase in cost or to increase benefits without increasing costs for subsequent contracts.

The committee shall further meet from time to time as necessary to consider and make recommendations concerning any matters which arise regarding the administration of group insurance contracts.

The role of the committee shall be advisory only. The committee shall not have authority to amend the Collective Bargaining Agreement between the City of Spencer and the Spencer Employees Association nor any contracts between the City and any insurance company or its insurance agent.

If any employee observes or discovers any equipment which is in an unsafe condition, it shall immediately be brought to the attention of the employee's supervisor.

All employees are required to maintain a level of physical fitness which will enable them to properly perform the duties assigned. If the employer has reason to believe that an employee is not maintaining such a level of physical fitness, the employer may request a physical examination of the employee, by a physician mutually agreed upon between the employer and the employee, at the employer's expense. The employee shall furnish a report of such examination and if such report indicates that the employee is not physically fit to perform his duties, he may be subject to dismissal or to the imposition of requirements relative to regaining the proper level of physical fitness.

In the event an employee becomes physically unable to perform his duties, the City shall attempt to place said employee in other suitable work.

All employees in the Public Works Department, except the director and the CAD operator, shall, by and after January 1, 2002, wear OSHA approved hard-toed boots while engaged in City employment. ## **ARTICLE X STRIKES - LOCKOUTS**

(A) The parties hereto acknowledge and recognize that it is illegal and contrary to public policy in the State of Iowa for any public employee or employee organization to encourage, instigate, or participate in a strike or work stoppage against any public employer, or for a public employee to engage in a lockout. During the life of this agreement and in accordance with the terms of the authorized dues check-off form, the City agrees to deduct Association dues levied in accordance with the Constitution and Bylaws of the Association from the pay of each employee who executes an authorization form. The deduction shall be certified to the City by the Treasurer of the Association and on the appropriate form signed by the employees. This provision shall apply to dues of the Association only and to no other levies or assessments. An employee may withdraw his authorization for dues check-off at any time, but no such denial of authorization shall be effective until after thirty calendar days of its receipt by the City Clerk.

An employee may elect to make the dues check-off authorization only twice during any calendar year.

The Association agrees to indemnify and hold the employer harmless against any and all claims, demands, suits, orders, damages, or judgments brought or issued against the employer as a result of any action taken or not taken by the employer at the request of the Association or by reason of action taken in reliance on individually authorized deduction forms furnished to the employer by the Association, or any other provisions of this Article. An employee whose last performance evaluation accomplished more than 90 days before the employee's scheduled step increase under the salary matrix was unsatisfactory shall not be eligible for a step increase until a satisfactory evaluation has occurred. The Employee may request, and shall be granted, a performance evaluation when 90 days have passed since an unsatisfactory evaluation. If a step increase is delayed for six months due to unsatisfactory evaluations, the denial of the step increase shall be grievable. If the evaluations required by the City are not accomplished, it shall be presumed that the employee's performance is satisfactory, and step increases shall occur as scheduled in the salary matrix. The definition of an unsatisfactory evaluation is one in which one or more categories of job performance are marked "unsatisfactory."

**B. TRANSFER.** In the event it becomes necessary to fill a new permanent job classification, all qualified employees shall be given an opportunity to request a transfer and a written evaluation of all employees so requesting shall be made at that time, which evaluation shall consider skill, ability, training, competence, and seniority. **C. STAFF REDUCTION.** In the event that the City determines that it is necessary to reduce personnel, the criteria to be considered will include skill, ability, training, competence and seniority. Notice of reduction shall be furnished to the employee in writing.

**D. GENERAL CRITERIA.** When transfer or staff reduction procedures are necessary and considerations of skill, ability, training and competency are not determinative, full-time employees shall be given priority over part-time employees, and employees having greater seniority will be preferred over employees having lesser seniority. However, the Association recognizes the employer's right to direct the work of its employees and to hire, demote, transfer, and assign its employees, subject to the considerations set out above.

In the event of a layoff, previous City employees who have been laid off shall be given preference in filling vacancies at the time of restaffing.

## **ARTICLE XVII EMPLOYMENT POSITIONS - ADVANCEMENTS**

The number and grade of employment positions in the City within departments which include employees covered by this agreement is set forth in the attached schedule entitled "Grade Allocations", Exhibit "D".

During the term of this agreement, the grades and the number of positions in grade for the Police Dispatcher Department, Fire Department, Public Works Department and Planning Department shall not be reduced from the attached schedule.

Movement of employees in steps or grades shall occur as provided in the Personnel Policy Manual. Except that, for employees covered by this agreement, step increases shall be automatic based only on time in service, and shall not be dependent upon an acceptable evaluation, contrary provisions of the personnel policy manual notwithstanding. For purposes of step increases across the Salary Matrix, the employee's date of hire with the City shall be the beginning point of reference.

The City may hire new employees at any grade and step it deems appropriate and may promote ahead of the schedule with the concurrence of the Association.

**TRANSFER TO OTHER DEPARTMENTS.** Employees desiring to transfer from one department to another shall not be automatically entitled to transfer at the same grade. When an employee desires to transfer and the City desires to acquiesce in his transfer, the City and the employee shall negotiate and agree upon the grade which the employee shall have in his new department. For the purpose of further promotions after an employee has transferred into his new department he shall be determined to have seniority commensurate with the grade at which he transferred, however, his anniversary date shall remain the date the employee originally commenced service with the City. If new positions are created during the term of the contract, the City shall establish a job description and shall assign a grade level for the new position within the salary Matrix.

## **ARTICLE XVIII LONGEVITY**

**A. ELIGIBILITY.** All employees who have performed satisfactory continuous service for the required number of years shall be eligible to accrue longevity pay at the beginning of the payroll period in which the required number of years has been completed. "Continuous service" shall be terminated by resignation, dismissal or retirement. If any employee so terminated receives a subsequent reappointment, he or she shall not be given longevity pay for services prior to the termination. Continuous service shall not be considered broken if an employee:

1. Is on military leave of absence and returns to City employment in accordance with federal and state law;
2. Is on authorized leave of absence or on a temporary suspension without pay.

Longevity pay for which an employee is eligible on or before July 1, 1988, is included in the salary computed pursuant to the matrix. Additional longevity pay increment benefits which accrue after July 1, 1988, will be added to the salary scheduled in the Matrix, based on the employee's date of hire.

Any employee whose employment begins on or after July 1, 1988, shall be entitled only to longevity pay increment benefits after ten (10), fifteen (15) and twenty (20) years successful continuous service completed, in the amounts included in subparagraph "B", below.

**B. AMOUNT OF PAYMENT.** Pursuant to subparagraph "A", eligible employees, upon successful completion of the following continuous years of service, shall receive longevity pay indicated:

<u>YEARS CONTINUOUS SERVICE COMPLETED</u>	<u>Pre 7-1-88 LONGEVITY PAY INCREMENT</u>	<u>Post 7-1-88</u>
5	\$ 240 annually	Per Matrix
7	\$ 240 annually	Per Matrix
10	\$ 300 annually	\$300 annually
15	\$ 300 annually	\$300 annually
20	\$ 300 annually	\$300 annually
	\$1,380 annual maximum	\$900 Maximum

C. **GENERAL RULES.** When an employee becomes entitled to longevity pay under the provisions of this Article, the amount of longevity pay to which he is entitled, based on his work during the pay period, shall be computed and included in his compensation check for said pay period.

(ii) All dispatchers in Grade 17A on the last effective date of the previous contract, will, on the first day of this contract, be moved from Grade 17A to Grade 18, and shall occupy the same step and time in step as they occupied in Grade 17A prior to their move.

(e) In the Land Fill Division a new separate Equipment Operator III position shall be created which shall be a Grade 21 position. The City shall not be required to fill that position, but it will be available for advancement if the circumstances warrant.

B. Effective July 1, 2008, the matrix and compensation of those employees covered by this agreement shall be adjusted upward by an additional 3 percent.

C. Effective July 1, 2009, the matrix and compensation of those employees covered by this agreement shall be adjusted upward by an additional 3 percent.

## **ARTICLE XX OPTIONAL ADDITIONAL PENSION**

All employees of the City shall be eligible to participate in the ICMA retirement program by making voluntary pre-tax contributions at the expense of the employee to said plan, which shall be in addition to the IPERS pension plan statutorily provided to employees.

## **ARTICLE XXI COORDINATION**

A. The City of Spencer Personnel Policy Manual, as it exists on the date of execution of this agreement, is hereby incorporated in this contract by reference and shall be a part hereof as though fully set out at length herein.

B. In the event of a conflict or an interpretation which results in an inconsistency between this contract and the Personnel Policy Manual, the provisions of this contract shall control.

C. This contract shall be interpreted and given effect without reference to the Personnel Policy Manual as to all matters addressed in this contract.

D. In the event the City desires to change the personnel policy manual as to employees covered by this agreement, the City shall submit the text of any proposed change to the bargaining representative of the Association at least ten (10) days prior to the effective date of the proposed change. The Association may file a grievance if it believes that the proposed change violates the collective bargaining agreement, or any applicable federal or state statute. The Association may not object on other grounds.

E. Employees may file grievances regarding provisions of the personnel policy manual which affect pay. No other provisions of the personnel policy manual shall be grievable.

## **ARTICLE XXII SEVERABILITY AND SAVINGS CLAUSE**

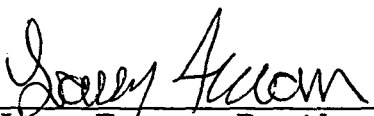

It is the sense and intention of the parties hereto that all the provisions of this agreement shall comply with all applicable statutes or authorities or restrictions on authority granted the employer and any ordinances, rules or regulations made in compliance with such statutes. Should any article, section or portion thereof of this agreement be held unlawful or unenforceable by a court of jurisdiction, such decision of the court shall apply only to the specific article, section, or portion thereof directly specified in the decision upon the issuance of such a decision; and the parties agree to immediately negotiate a modification or substitute for the invalidated article, section or portion thereof in accordance with such decision.

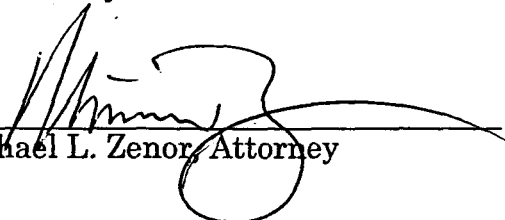

The undersigned, on behalf the Association and the City, respectively do hereby approve this contract and certify that this contract has been duly approved and ratified by the City Council of Spencer, Iowa, and by vote of the Spencer Employees Association, Inc.

Signed on the day and year first written above.
